

January 30, 2015

To Whom It May Concern:

The products that are produced under the Norbest Label (P-1049, P-1049A) are produced under HACCP and the inspection of USDA and all applicable regulations. Included in those programs are a GMP Program, SSOP Program, and Pest Control Program.

The Allergens in Moroni Facility are: No known Allergens.

The Allergens in Salina Facility are: ORTK Seasoning (Oven Roasted Turkey Seasoning), Soy, and Caramel.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Brad Koyle".
